Good sport is about positive attitude. You can set the right tone, and help make the game a success. Play your part – play fair.

To the best of my ability I will:

- Encourage all players in their efforts in sport
- Display self-control on the sideline. Always be positive.  
Never shout at or ridicule players
- Watch all players and let them enjoy the game
- Insist that all players play by the rules
- Respect the players' efforts the same regardless of whether they have won or lost
- Show my appreciation to people who volunteer their time so the team can play
- Remember that students play sport for their own reasons not mine
- Be a positive role model for the players
- Never place undue pressure on the players to play or perform
- Make an effort to understand the rules of the game
- Give it heaps and not get ugly
