

SPORTS TEAMS DRESS CODE

When Thames High School sports teams are **travelling**, or are involved in an after match function it is up to the coach whether they are to be dressed in either the Thames High School number one uniform or the Thames High School tracksuits.

The number one uniform consists of:

Boys – Long navy trousers. White collared shirt worn with the school tie. School jersey or vest. Black leather shoes.

Girls – Navy regulation skirt or long pants. White collared shirt worn with the school tie. School jersey or vest. Black leather shoes

Tracksuits can be obtained from the school for the playing season with refundable bond. Priority will be given to senior teams as tracksuit numbers are limited. They can also be ordered and bought from the school.
