

Thames High School 2018 Athletics Results

On Wednesday the 21st and Thursday the 22nd of February Thames High School Athletics events were held. While the weather warning was a concern we still had an excellent two days of great participation and fine weather. It was great to see all getting behind their house and giving the events a go. Thank you to those teachers/staff who helped out and a super thanks to Tracey and Susan who came along as parent helpers to assist us with the marshalling. Without these people the day would not have been a success so thank you.
