Kia ora koutou

You may have heard the PM's latest announcement at 2 pm. today. Please note the following:

- School will be closed as from tomorrow for all students apart from those children whose parents are in essential services. This is to allow extra time to find alternative arrangements as from midnight Wednesday all schools will be in total lockdown and we will no longer be able to provide this service for the next 4 weeks.
- If you are in any of the listed essential services, please e-mail office@thameshigh.school.nz immediately should you require school supervision for your children.
- We will give the community an update later this evening once we have received and processed information from the MOE and MOH.
- We will update our facebook page and website.

Please take vigilant care of yourselves and your families over this period. And remember Kia Kaha - be kind, we will be ok.

He waka eke noa - we are in this together.
