Introductory section

Our Charter

- Our charter sets the direction for the school, reflecting the goals and aspirations our community has for their school and students for the next 3 years¹. It contains:
 - an **introductory section** including our mission, vision and values.
 - A strategic section (strategic plan) that outlines the board's strategic aims for the next three years. It reflects
 what a board is doing to make a difference for student achievement and progress, particularly for Māori and
 Pasifika students, and students with special education needs.
 - An **annually updated section** (annual plan) that identifies the board's priorities for the coming year. It includes the board's actions to raise student progress and achievement.
- Every school board (as part of its governance role) needs to:
 - o prepare and maintain a charter, develop the strategic aims and expected outcomes for our students.
 - o send a reviewed and updated charter to the Ministry of Education every year.
- Our Charter outlines how our school is implementing the government's priorities as set out in the National Education
 Goals and the National Administration Guidelines to improve the progress and achievement of all students.
- The Education and Training Act 2020 amended the objectives of school boards. This change comes into effect on 1
 January 2021. In 2020, 2021 and 2022 schools' key planning document will continue to be their school charter. From
 2023 there are new requirements for schools' planning and reporting.

6.

¹ Sect. 138 Education and Training Act (2020)

Our Context

Thames High School (Te Kura Tuarua o Te Kauaeranga), established in 1880, is the second oldest secondary school in the Auckland province. The school is a Year 9 to 13, co-educational, decile 5 school located minutes from the centre of Thames, a semi-rural town that has a rich history of the mana whenua of Hauraki and the settlers attracted by the gold rush (1867-1871) and Kauri logging. Ngāti Maru is one of the Marutūahu confederation of tribes (Ngāti Maru, Ngāti Rongoū, Ngāti Tamaterā, Ngāti Whanaunga and Ngāti Pāoa)² that settled the area from 1550³. Thames is located within easy travel (around 1½ hours) to three main urban centres of Hamilton (106 km), Auckland (114 km), and Tauranga (128 km).

Thames is still the largest town on the Coromandel Peninsula Te Tara-o-te-lka a Māui the jagged barb of Māui's fish - with a population of approximately 7,500. Thames is the location of the Thames-Coromandel District Council, Thames Hospital and Toyota New Zealand's vehicle importing/refurbishment business, residential retirement services and has a significant retail centre that serves a diverse and the agriculture and farming community. As a gateway town and historical centre, tourism and services are significant. Historically, Thames has endured significant changes to its economy with the closure of the railway (1991), Toyota assembly (1998) major sawmills (2008) and associated industries.

The school is committed to equity, excellence and diversity that reflects our predominantly bicultural heritage, and actively promotes a culture of belonging (Manaakitanga) for students of all backgrounds. Māori language courses are offered at all year levels and we are committed to strengthen developing confidence in speaking Te Reo and identity as Māori, and the importance Te Ao Māori for all.

Students

Most students that attend Thames High School are from Thames itself or from 'up the coast' - Te Puru, Waiomu, Tapu, Te Mata – and south of Thames – Hikutaia, Matatoki and Puriri. There are students that travel from Hikuai and Tairua, although the number from these two centres has declined as transport options to Whangamata and Whitianga have become available.

As of 2020 (1 July), the roll was 444 students (182 male and 220 females), including 19 international students. 137 students were entitled to Ministry buses (at least 4.8 km from school): 41 Puriri, 33 Tapu, 31 Te Puru, 24 Tairua/Hikuai and 8 Kauareranga Valley.

Of 425 domestic students, 181 identified as Maori (43%), 304 as NZ European (72%), 24 (5.6%) as 'other European', 22 (5.2%) Pasifika and 17 (4.0%) Asian. Percentages add to more than 100% as students identify with multiple ethnicities.

Prioritising ethnicities using MoE statistical priorities, resolves these to 43% Maori, 47% NZ European, 4% other European, 1.9% Pasifika, 3.2% Asian.

International Students

Thames High School benefits from a close association to the <u>Evakona Education Language School</u> who have strong connections to Japan; consequently, most of our international students are Japanese, although they also come from Germany, Switzerland, Vietnam and China. Thames High School also has an ongoing relationship with Misaki Town, which has a sister-town relationship with Thames. Thames High School is seeking to develop stronger markets in Asia (China, Taiwan, Vietnam, Korea, Thailand) and South America (Brazil, Chile, Colombia) and Europe (Italy, Switzerland).

Kahui Ako / Community of Learning

Thames High School is a member of the Thames Te Kauaeranga Kāhui Ako - Community of Learning along with eight primary schools (Matatoki School, Moanataiari School, Parawai School, Puriri School, St Francis School (Thames), Tapu School, Te Puru School, Thames High School, Thames South School) and four Early Childhood Education Centres (Central Kids Kindergarten, Little Chiefs Educare, Mini Miners, and Thames Early Childhood Education Centre.

These schools are the predominant contributing schools for Thames High School, although some students also attend from Hikutaia School, Hikuai School, and Tairua School. With such a range of contributing schools, strengthening our connections, and ensuring great transitions is a key focus for Thames High School.

² https://teara.govt.nz/en/hauraki-coromandel-region/page-4

³ "The stronghold of Ngati Maru has always been concentrated around the Thames region from Hikutaia in the south as far as Te Puru in the north traversing both sides of the Waihou river and Firth of Thames in places with other Marutuahu." (https://ngatimaru.iwi.nz/history/)

A new strategic plan for the Thames Te Kauaeranga Kāhui Ako was developed in 2020 and focuses on three achievement challenges – conscious connection, conscious inclusion, and conscious collaboration. Alongside these challenges are achievement targets that focus on literacy, health curriculum and NCEA qualifications. The Kahui Ako has two across-school teachers/leaders and six within-school teachers. One across-school teacher and three within-school teachers are based at Thames High School. The Kahui Ako is fortunate to have two learner support coordinators (LSCs) and they are also based at Thames High School, working extensively across all schools.

Thames High School provides Technology education for our Kahui Ako primaries, with a two-hour, one day a week provision, including food, fabric, materials, and art-design programmes.

Other important contextual information

- The location of Thames and the local economy significant numbers of students leave school after 16 for employment, including an increase in the number of students moving to apprenticeships and other work-based training and employment.
- The links between student attendance and achievement are well understood. Robust and consistent processes for encouraging and monitoring student attendance are used to support the target of 85% attendance at school for all students.
- **Community Consultation** The school consults the community on a regular basis. The approach that is used is to survey the on current issues, relevant policy reviews and generally regarding satisfaction to gather feedback (triennially).

Physical resources

Thames High School has two main physical sites, with the main campus on Sealey Street (3.9811 ha) and Danby Field on Queen Street. Historically, both sites were gifted for educational use by Ngāti Maru. Danby Field (0.2168 ha) is part of the Ngāti Maru (Hauraki) Deed of Settlement which is subject to final ratification (since 2017). Currently it is used as a supplementary sports field, but its location as low-lying land means it is often boggy.

School physical resources include:

- Our wharenui, Te Puna O Te Pito Mata (The Wellspring of Potential), at the front of our school the jewel in our crown!
- The Jack McLean Community Recreation Centre, that sits alongside our own gymnasium offering our students and the community a modern state-of-art gymnasium and facilities. Schools much larger than Thames High School are often not so fortunate.
- Fully refurbished science laboratories (2019)
- Classrooms that have been modernised.
- A swimming pool that allows for on-site swimming, scuba, and kayak training, amongst other activities.
- A robust IT infrastructure with sufficient devices to support learning in specialist areas and for those that cannot provide their own device.

Curriculum

Thames High School is large enough to offer a broad and balanced curriculum, with multiple pathways, yet small enough to ensure that there is a deep personalised approach to learning and well-being, where everyone is recognised as an individual. Students are placed in a rōpu (group) in one of our four houses, with a Rōpu Kaitiaki (teacher) who looks after them and is the main point of contact between the school and home. One of the features of Thames High School is that students foster great relationships with their teachers and other students.

The school offers:

- A broad, diverse curriculum at all levels with significant student choice at all year levels.
- Year 9 and 10 curriculums
 - core (compulsory) programmes of English, Te Reo Māori, Mathematics, Science, Arts, Social Studies, and Health.
 - core kete classes that integrate at least two curriculum areas into a contextual programme; these kete
 allow experiences in arts, technology and other curriculum areas as above, for instance a combination
 of social studies and visual art.
 - optional high interest projects where students can inquire deeply into a range of chosen contexts.
- Year 11
 - English, mathematics, and a science-related subject are compulsory as foundations to support diverse pathways in the senior school and beyond.
 - o Three optional subjects.
 - Health with physical education is compulsory from 2021 to ensure that emotional, social and physical wellbeing are supported.
- Year 12
 - o Six optional subjects are chosen, with guidance to ensure that literacy requirements for University Entrance are met to keep this pathway open. There are significant vocational pathway options available.
- Year 13
 - o Five optional subjects are chosen.
- Thames High School has long supported vocational pathways and continues to see significant interest in Trades
 education (Secondary Tertiary Programmes with WINTEC) and expansion of work-based learning, including the
 Gateway programme.
- Many courses that are not available on campus are offered via distance learning opportunities, including courses
 from Volcanics elearning Community, Te Aho o Te Kura Pounamu (Correspondence School) and the Southern
 Institute of Technology.
 - A diverse range of learning modes: academic learning, hands-on learning, field trips and education outside the classroom (EOTC) which takes advantage of our great location at the doorstep of many outdoor pursuits.
 - Strong academic pathways, with opportunities for extension and acceleration, including distance learning opportunities where schools our size pool resources to ensure more choice for all.
 - A wide range of sporting and cultural opportunities, with students encouraged to be active participants.

Our commitment to Te Tiriti o Waitangi

Te Kura Tuarua o Te Kauaeranga / Thames High School is committed to Te Tiriti o Waitangi (Treaty of Waitangi) and its unique position in Aotearoa/New Zealand and will give effect to it by ensuring its plans, policies and school (local) curriculum reflect local tikanga Māori, mātauranga Māori and te ao Māori.⁴ This includes

- taking all reasonable steps to make instruction available in tikanga Māori and te reo Māori; and
- achieving equitable outcomes for Māori students.

Thames High School:

- currently offers Te Reo Maori/Tikanga Maori is a core subject offered at Year 9 and 10 and an optional subject at Years 11 to 13. In 2021 the time allocation to Year 9 Te Reo/Tikanga Maori has doubled from that in 2020, and, if possible, that will be continued at Year 10 in 2022.
- will develop, with genuine partnership, a specific Achievement Plan for Maori, incorporating tikanga and Te Reo Maori into the kawa (protocols) and curriculum (where appropriate) of the school. This Achievement Plan will also take direction from Ka Hikitia (the Māori Education Strategy, 2020).
- affirms that Te Tiriti o Waitangi is one of eight principles of The New Zealand Curriculum that provide a foundation for our school / local curriculum.

Thames High School / Te Kura Tuarua o Te Kauaeranga is committed to working in partnership with whānau, hapu, iwi and our community.

The principles of partnership, participation and protection are central to our commitment to Te Tiriti o Waitangi.

Thames High School is committed to:

- Partnership: Seeking to develop genuine partnership encouraging and ensuring that Māori are involved at all levels of the decision-making, planning, and development of curriculum. This includes, where needed, co-opting Maori onto the school board, committing to a Te Ao Māori Strategic Rōpu and engaging with our Māori community.
- **Protection**: as expressed above in our commitment to Te Tiriti, by normalising Te Reo and Tikanga and achieving equitable outcomes for Māori students. This is in all settings the classroom (by including a Māori perspective to topics and inquiry), staff meetings, the staff room, on duty, at assemblies and in other areas.
- **Participation**: by working to strengthen home-school relationships, Māori involvement in school decision making, the environment reflecting the biculturalism of Aotearoa (e.g. signs, artworks), inquiring and valuing the aspirations of Māori whānau reflected in school planning an, again, being focused on equity for Māori

We are committed to working with Ngāti Maru iwi and strengthen our kawenata (agreement) that affirms our shared goal of ensuring educational success through a strengths-based approach and growing meaningful pathways.

⁴ Sect. 127 (1) (d) Education and Training Act (2020)

Our Vision, Mission and Values

Our Vision

Kia kōtahi ai te piki ake, kia ikeike rawa ki te taumata

We grow together to achieve one's true potential.

Our Mission

Kia mahana o neherā - To acknowledge our past

Kia aratakina āianei - To inspire our present

Hei waihanga ā mua - And transform our future world

Our Values

Manaakitanga: Everyone belongs, everyone matters, everyone has potential.

Whanaungatanga: We build connected and collaborative relationships that acknowledge and embrace our community.

Mātauranga: We deepen our knowledge of understanding to empower learning.

Our Tikanga: T.H.S. ROLES

Respect - Ngākau Whakaute

Others – Manaaki

Learning - Akonga

Environment – Taiao

Self - Whai Ora

Our Tohu

- 1 The waka represents Tainui and iwi associated with this rohe / area
- 2 <u>Table Mountain</u> Te Kowhatu-whakairi-a Ngatoroirangi (the suspended rock of Ngātoroirangi)

The <u>maunga</u> represent 'Te Tara o Te Ika a Maui' - the jagged barb of Maui's fish - The Coromandel Peninsula. Leaving space for the stories that will come through about our maunga and area.

The <u>sea</u> represents Tikapa Moana-o-Hauraki (The Firth of Thames)

Our Tohu was designed by Claudia Long, in collaboration with Tahjonelle Kaitamaki-Topia, who designed "Te Tara o Te ika a maui".

Our Crest and Motto

"Ut prosim patriae" (That I may be worthy of my country), suggests that pupils past and present consider opportunities for service both at school and in the world beyond

Strategic Plan 2021-2023

Our Strategic Intents

- 1. Student/Taiohi: ALL students/taiohi will progress to their highest educational potential.
- 2. Teacher/Kaiako: Teaching practices reflect best evidence and are culturally responsive.
- 3. Hauora: Care for and ensure the well-being of ALL students/taiohi and staff/kaimahi.
- 4. Whakawhanaungatanga: Build culturally responsive relationships with ALL

For each Strategic Intent we identify how we will achieve (or make progress towards achieving) its objectives during the period of the strategic plan. The Annual Plan sets out how the board intends to implement that strategy during the year.

Status Colours:

Progress towards strategic aims is identified by the following colours:

Annual Plan 2021

Summary

Strategic Intent	Strategic aims	Key strategies	Annual Goals/Target(s)
Student/Taiohi: ALL students/taiohi will progress to their highest educational potential. This states is a sistent with a sistent and a	1.1: Accelerate progress of Year 11-13 taiohi/students who are achieving below expectation and/or priority students*. This includes ensuring that the outcomes for Māori are equitable, namely there is no disparity in achievement.	Strengthen achievement / progress tracking Develop a Māori Achievement Plan (MAP) with appropriate iwi consultation. Academic mentoring and reflection are strengthened at Year 11-13	 Māori taiohi identified as priority students at Years 12 – 13 will achieve at least 12 credits per course for at least five courses at level 2 and level 3. The disparity in achievement at all levels of NCEA between Māori and non-Māori will be reduced by at least 50%. The disparity in achievement between Males and Females for
This strategic intent gives direction to the board's intent to achieve equitable outcomes for Māori students. *Priority taiohi: identified Māori, Pasifika, boys, and	1.2: Accelerate literacy progress of Year 9-10 taiohi/students who are achieving below expectation and/or priority students*. This includes setting the foundations to ensure that the outcomes at Years 11-13 for Māori are equitable (as in 1.1.)	Strengthen achievement / progress tracking Literacy support is provided to priority taiohi/students. Develop our Gifted and Talented Plan	 the Year 12 2021 (Year 11 2020) cohort will be reduced by at least 50% in NCEA level 2. Endorsements at Level 2: The rate of endorsements for Maori will be improved on at least that of the average THS cohort. At least 50% of Year 9 and 10 students in the identified literacy priority group will have accelerated progress (i.e. more than one year's curriculum progress in one year).
taiohi with special needs, students with literacy below expectations.	1.3: Improve attendance levels as a critical prerequisite for improved achievement and wellbeing (also supports strategic intent 3).	Strengthen existing protocols for monitoring and following up attendance	The proportion of students whose attendance levels in 2020 were below 80% ('of concern') will be reduced by 50%.
2. Teacher/Kaiako: Teaching practices reflect best evidence and are culturally responsive. This strategic intent gives direction to the board's intent to ensure our school	2.1 Develop our innovative local (school) curriculum to ensure it is coherent, future-focussed, provides pathways for diverse student aspirations, and incorporates local tikanga Māori, mātauranga Māori and te ao Maori.	Review our local school curriculum to incorporate the aspirations of our staff, parents, whānau, hapū, iwi and the wider community. Continue to develop a clear 'curriculum map' of the Year 9 and 10 Curriculum (Core, Kete and HIP) that identifies the strengths of existing programmes and areas that need strengthening.	Year 9 and 10 curriculum has increased local tikanga Māori, mātauranga Māori and te ao Maori, building foundations for the senior levels (as part of the review of NCEA levels 1-3)
(local) curriculum reflects local tikanga Māori, mātauranga Māori and te ao Maori. This includes taking all reasonable steps to make	2.2: Our pedagogical (teaching) model will reflect best practice and be aligned with a complete model of learning.	Develop a shared understanding of core learning competencies and teaching capabilities that are expected to develop a model of learning.	 Have a clear plan co-constructed action plan to improve culturally responsive practices. Completed a review of the model of learning, so that it is clear and visible ready for implementation in 2022. All teaching staff have engaged in the Professional Growth
instruction available in tikanga Māori and te reo Māori.	2.3: Build the capacity of staff through dedicated professional learning and development opportunities.	PLD plan prioritises strengthening the school culture, teaching, and learning competencies, including digital fluency, culturally responsiveness, and local/school curriculum development.	Cycle and participated in relevant professional learning supporting local curriculum and culturally responsive pedagogy.
		Strengthen the use of digital / online learning. Strengthen the use of developmental / professional learning approach (Professional	

	2.4: Actively participate in the Thames Te Kauaeranga Kāhui Ako (CoL)	Growth Cycle) to enhance teaching and learning for priority students Within School teachers/leaders (WSTs) will work actively with across-school teacher / leaders to develop a clear action plan	The Kahui within-school and across-school teachers collaborate to develop an annual action plan to support Kahui Ako Achievement Challenges.
3. Hauora: Care for and ensure the well-being of ALL students/taiohi and staff/kaimahi.	3.1: To promote a school culture that is safe, supportive and positive for both staff and students.	Our Vision, Mission, Values and Tikanga are communicated with and regularly reinforced with our community. Consistency in the behaviour expectations and management (corrective strategies) through reinforcing the PB4L matrices of expectations and consequences. Enhance school-wide practices that improve the well-being/hauora of students/taiohi and staff/kaimahi. Increased recognition and celebration of student success / highlight student and staff achievements Enhance student leadership development and agency	 Kaimahi and Taiohi to feel safe and supported in their work at Thames High School. Kaimahi to feel valued and provided with professional feedback and support. Kaimahi and Taiohi to know the tikanga of ROLES and our values and can apply this explicitly to all situations
4. Whakawhanaungatanga: Build culturally responsive relationships with ALL	 4.1 Strengthen our partnerships to increase participation and ensure there is authentic voice in decision-making. 4.2 Embed culturally responsive practices at the school that uphold the principles of Te Tiriti o Waitangi. 	Strengthen relationship with our local iwi, Ngāti Maru Improve engagement with parents and other important groups to increase opportunities for taiohi/students and evaluate success of students' pathways. Continue to grow Te Ao Māorī throughout the school and build on the relationships already formed with our Kāhui Ako and Iwi Ngāti Maru. Rongohia Te Hau remains a significant professional learning focus for the school to enhance its culturally responsive practices.	 That the vision, mission and values statements are embedded in our day to day professional practice. We continue to build kaimahi/staff capability and understanding of Te Tiriti o Waitangi and the three principles of participation, protection, partnership. Have a clear plan; a co-constructed action plan to improve culturally responsive relational relationships.

Strategic Intent 1:

Student/Taiohi: ALL students/taiohi will progress to their highest educational potential.

This strategic intent gives direction to the board's intent to achieving equitable outcomes for Māori students.

*Priority taiohi: identified Māori, Pasifika, boys, and taiohi with special needs, students with literacy below expectations.

Strategic outcome(s) - i.e. aspirational

- ALL students/taiohi that have been enrolled at this school from the outset will achieve a minimum of NCEA Level 2.
- Equity eliminate the disparity in achievement between boys and girls, and Māori and non-Māori students.
- Literacy levels for all priority students/taiohi are accelerated (more than 1 year's progress) to set the foundation for equitable qualifications outcomes.

Targets: Where do we want to be at the end of 2021?

- Māori taiohi identified as priority students at Years 12 13 will achieve at least 12 credits per course for at least five courses at level 2 and level 3.
- The disparity in achievement at all levels of NCEA between Māori and non-Māori will be reduced by at least 50%.
- The disparity in achievement between Males and Females for the Year 12 2021 (Year 11 2020) cohort will be reduced by at least 50% in NCEA level 2.
- Endorsements at Level 2: The rate of endorsements for Maori will be improved on at least that of the average THS cohort.
- At least 50% of Year 9 and 10 students in the identified literacy priority group will have accelerated progress (i.e. more than one year's curriculum progress in one year).
- The proportion of students whose attendance levels in 2020 were below 80% ('of concern') will be reduced by 50%.

How do we know we have got there? Measures:

- Qualifications: The targets above will be achieved, or at least improve toward the target.
- Literacy: Using standardised vocabulary, reading and writing assessments, the target group will progress greater than expected in one year (equivalent to 2 steps on asTTle and/or PAT scale scores)

Literacy Y9 and Y10: Reading Comprehension % 2021

Transition information from contributing schools / LSCs, entrance Year 9/10 (PAT, AsTTle) are used to inform a baseline at the start of the year. Information is used to aide successful transition including learner support and adaptation of learning programmes. Data are used to identify priority Year 9 and Year 10 students. Mentoring and support programmes for junior Maori students. Across the curriculum areas, key	ONL/HUR	Both PAT (stanines) and asTTle (new 2021) will be used to inform identification of priority taiohi (literacy focus) Global Year level tracking sheets in KAMAR are set up that enable progress to be monitored readily, in terms of below, at or above expectations. Information is shared with key stakeholders (at least once a term). Priority taiohi are identified (flags in KAMAR are set that clearly identify priority students (using data as above) and monitored rāpu kaitiaki. For 2021, additional staffing for Year 9		0 0			
indicator assessments are identified (core/kete) to enable consistent monitoring of progress. iteracy support is provided to priority		rōpu kaitiaki is prioritised. Tracking sheets are developed for each curriculum area to assist monitoring by HoDs and kiako of curriculum classes. Identified Year 9 Students are placed in		0			
Accelerated literacy programmes are provided, especially for vocabulary, comprehension, and writing. Implement core literacy across the curriculum strategies for vocabulary and reading.	ONL/MDL BRD/HoDs	literacy support class for a term or more and/or withdrawn from selected other classes to prioritise accelerated literacy. Heads of Department participate in the inquiry process to improve the consistency of approaches to literacy for all taiohi/students. Strategies in the classroom to deliberately reinforce literacy as part of annual plans and curriculum/unit plan review, e.g. vocabulary lists, activities, scaffolds,, differentiation of resources, outcomes, etc.					
Pevelop our Gifted and Talented Plan • Focus on Y9-10 adaptations.	ONL (with LSCs) HoDs	There is a clear plan for meeting the needs of diverse gifted and talented students.					

°0

Strategies We will					nis done	by	Review / Progress How are we going?	
			T1	T2	T3	T4	(To be updated during the year)	
Strengthen existing protocols for monitoring and following up attendance	ONL	Rōpu and whānau kiatiaki are provided with quality information and clarity about the expectations for following up with parents and whānau as appropriate.			п	п		
Establish clear attendance protocols for the school and promote and reinforce them.		Regular articles about the importance of every day counts and every minute matters.						
 Attendance officer (internal) takes on more direct responsibility for the proactive identification of students who attendance is erratic / poor. 	ONL / MHD	Information is provided to parents more regularly about attendance, punctuality and truancy events.						
 Liaison with external attendance officer (Attendance Services) is strengthened with clear procedures / threshold established for referrals. 	ONL / MHD	Appropriate interventions are identified and attempted., including early engagement with parents and whānau Attendance levels are well known and						
Appropriate sources (e.g. funding, learner support) of support are sought to assist students and whanau into regular attendance.		improve.						

Strategic Intent 2:

Teacher/Kaiako... Teaching practices reflect best evidence and are culturally responsive.

This strategic intent gives direction to the board's intent to ensure our school (local) curriculum reflects local tikanga Māori, mātauranga Māori and te ao Maori.⁵ This includes taking all reasonable steps to make instruction available in tikanga Māori and te reo Māori.

Baseline data: Where are we now?

- There is a range of teaching practices where there are many examples of good practice, but a complete and visible model of teaching and learning (pedagogy) is yet to be developed.
- Baseline data using an instructional capability framework have been collected. The results indicate that there is a basic capability in culturally responsive practices.
- Centrally-funded professional learning and development programme is underway: Poutama Pounamu – Poutama Tau/ Rongohia Te Hau
- Further baseline data are being collected using observations and surveys.

Targets: Where do we want to be at the end of 2021?

- Have a clear plan co-constructed action plan to improve culturally responsive practices.
- Initiated a review of the model of learning, so that it is clear and visible.

How do we know we have got there? Measures:

Self-evaluation using capability framework(s) will show that there is an
improvement in culturally responsive leadership and instructional
capability.

Strategies	Responsibility	Outcomes (Data)	Timef	rame			Review / Progress	
We will	Who's in charge?	The outcome will look like	We w	ill get th	nis done	by	How are we going?	
			T1	T2	T3	T4	(To be updated during the year)	
PLD plan prioritises strengthening the school culture, teaching, and learning competencies, including digital fluency, culturally responsiveness, and local/school curriculum development. Teachers/Kaiako will be provided opportunities to improve their understanding of and knowledge in Te Reo and Tikanga Māori In 2021 this looks like: Rongohia Te Hou facilitated by Poutama Pounamu (PLD contract) Te Ahu o te Reo Maori (national PLD) Local curriculum development Kahui ako Within-school and across-school teachers / leaders play a key role as advisors / coaches in PLTs.	BRD/MCN	Capability data are collected and analysed to inform a professional learning plan in association with facilitators: i.e.PLD plan is responsive to baseline information / identified needs. Explicit links to Te Ao Maori in teaching and learning in all curriculum areas. Increased use of Te Reo by staff, modelled by senior staff, e.g. greetings, terms, pepeha, etc. - Kaiako and Kaimahi's confidence in mihi and pepeha is increased.						
Strengthen the use of digital / online learning. Our elearning coordinator (appointed at the end of 2020) is charged with specific responsibility to support, coach and develop effective digital learning modes. Our new IT company (New Era) will support ICT pedagogy with a detailed development plan that incorporates professional development opportunities.	BRD/WIC	Gather information from taiohi and Kaiako that enables PLD needs of Kaiako to be identified. PLD plan prioritises strengthening integration of and learning with digital technologies. Provide online and/or collaborative inquiry approach to develop identified needs. Evaluate outcomes						

Strengthen the use of developmental / professional learning approach (Professional Growth Cycle) to enhance teaching and learning for priority students	HRT / BRD	The Professional Growth Cycle will be developed in consultation with teachers and to meet Teaching Council requirements for the annual recertification / registration process.			
Developmental objectives aligned with the school annual plan are identified and supported by the formation of Professional Learning Teams (PLTs)		There will be a simplified documentation of the Professional Growth Cycle as evidence of having participated in the cycle.			
Professional expectations are included in appraisal (support staff) and professional Growth Cycle processes (teaching staff).		Professional Growth cycle is implemented for 2021 with key stages monitored.	0

			T1	T2	Т3	T4	(To be updated during the year)	
Within School teachers/leaders (WSTs) will work actively with across-school teacher / leaders to develop a clear action plan	HRT/MCN/WSTs	Appointment of WsTs to fit the specifications for tor roles and team balance.						
Appointments to the WST roles will be based on the competencies to develop a team that can promote culturally responsive and relational pedagogies via the support of professional learning teams (PLTs) – and make progress on the aims of conscious connection, collaboration, and inclusion.		Action Plan developed to align with the WKA strategic plan. This will be developed by the within-school leaders in consultation with key stakeholders, i.e. teachers, parents and students as appropriate. - Transitions at Y8/Y9 and Y10/11 - Literacy development - Digital fluency / citizenship - Effective seamless transitions and inclusive education (along with						
Alongside the shared focus on CRRP each WST will also have a clear responsibility for other critical elements of the Kahui Ako strategic plan		the learning support coordinators LSCs) Review progress regularly, and evaluate at						
The principal and the across-school and within-school teachers meet monthly to further their work to transform the existing plans to align with the revised KA strategic plan.		the end of the year,						

Strategic Intent 3:

Hauora... care for, and ensure the well-being of ALL students/taiohi and staff/kaimahi

Baseline data: Where are we now?

- Wellbeing / Hauora of our taiohi and kaimahi is strained. Our values, tikanga is not 100% reflected in our everyday practice. Some areas and for some taiohi and kaimahi their hauora is very well with others reporting the opposite. When students feel safe, cared for and well, the obstacles for learning are lowered and the engagement and success for all is heightened.
- Kahui Ako survey 2019 provides data for all Kaiako in the Thames Kauaeranga CoL on a variety of teaching practices. The main topics supporting evidence of hauora are supportive and caring environment, professional feedback and support, teacher workload. This data shows that on average 40% of kaimahi in the CoL feel supported, work in a caring environment and gain professional feedback and support. On average 20% of kaimahi in the CoL felt that teacher workload, a supportive environment and professional feedback was not shown or not shown well.
- Health survey (taiohi, whanau and kaimahi survey)-Taiohi at Thames High School in 2018 completed a survey to indicate how effective Health education and topics are taught and understood. Whanau and kaimahi were also surveyed. The results from this feedback show that health education is a valued topic within the school, it is limited to the junior curriculum, all parties raised concerns about bullying and healthy relationships.

Targets: Where do we want to be at the end of 2021?

- Kaimahi and Taiohi to feel safe and supported in their work at Thames High School.
- Kaimahi to feel valued and provided with professional feedback and support.
- Kaimahi and Taiohi to know the tikanga of ROLES and our values and can apply this explicitly to all situations

How do we know we have got there? Measures:

- Kaimahi and taiohi survey that is similar or the same as in 2019 and 2018. Survey results will show progress towards a safe and healthy school.
- Kaimahi and Taiohi all know the tikanga of ROLES and our values
- Uniform expectations will be shown through reflections on incorrect uniform

Strategy	Responsibility	Outcomes (Data)	Time	frame			Review / Progress	
We will	Who's in charge?	The outcome will look like	We w	ill get th	nis done	by	How are we going?	
			T1	T2	Т3	T4		
Our Vision, Mission, Values and Tikanga are communicated with and regularly reinforced with our community. • Kaimahi/Staff - staff induction (clear points to go through and sign off), staff meetings, whanau/deans and department meetings. • Taiohi/Students - school and year level assemblies, whanau/rōpu time, design, and production of visual posters around the school. • Whānau/Parents - school newsletters/panui, website. • Community - local media, school website, external signage.	BRD / BKR BRD/ONL HRT	Taiohi, Kaiako, kaimahi will have a clear understanding (can recall and connect) of the foundation vision, mission, values and tikanga (as our touchstone) The school values and tikanga are recognised and clearly demonstrated (improvement based on perception, records in KAMAR etc.)						
Consistency in the behaviour expectations and management (corrective strategies) through reinforcing the PB4L matrices of expectations and consequences.	BRD	Uniform expectations are more consistent and there is a lift in the perception of the school. The sense of pride about						
This includes reinforcing THS tikanga and values at all possible times.		attending THS will improve (community and taiohi survey)						
 Consistently promote expectations of uniform, presentation, and behaviour Provide PLD to support responding to 		School practices will be seen as fair, consistent, and effective, with well-understood boundaries and consequences (community and kaimahi and taiohi survey)						
behaviours including Restorative Practice, e.g. How to conduct corrective conversations and investigate professional		Capacity in restorative practice						
development for those kaitiaki/kaiako working with students with significant behaviour needs. This includes communication of and follow up on uniform expectations.		will improve ('how restorative am I? kaimahi - survey) PB4L / Our Tikanga Team drives						
Reinstatement of a PB4L team for 2021 and dedicated analysis of referral and actions		acknowledgement and data-led approach to promoting desired behaviours and responding to behaviours consistently.						

Enhance school-wide practices that improve the well-being/hauora of students/taiohi and	HRT / BRD / ONL				
staff/kaimahi.					
Discuss the results of student well-being with full staff to inform roopu /whānau 'programme' 2021/2022. E.g.		Clear overview of strengths and areas to develop are understood by staff.			
 Opportunities for tuakana teina are identified (peer support, leadership) Provide learning opportunities for 		Increased participation of seniors with junior roopu classes.	_	_	
taiohi to build resilience, e.g. within whānau and rōpu programmes and in curriculum classes. (Mental Health education and hauora)		Roopu /whānau 'programme' 2021 focused on strengthening well-being through connection. Specific wellbeing activities are developed and shared.			
Conduct the wellbeing survey(s) of staff in 2021 (Term 2)		Information about the wellbeing of kaimahi is collected and used to establish needs and initiatives.		_	
Establish a staff/kaimahi wellbeing focus group.		Staff well-being team established and promote ways of enhancing wellbeing, e.g. building	_		
Students of wellbeing concern are identified, and interventions discussed.		resilience, stress-management, etc.			
Review the pastoral leadership model within the school and advertise positions		"Case conference" approach is trialled and adopted.			
appropriately.		Pastoral leadership model is adopted and roles established.			
Increased recognition and celebration of student success / highlight student and staff achievements, e.g. staff hui, school and year		daspisa ana isissi sa siasisi sa.			
level assemblies, newsletters, website, Facebook, Instagram, reception TV, posted up in the staff room, scholarship award displays, etc.					
Enhance student leadership development		Increased student responsibility			
and agency	HRT / BRD	for Assemblies and other activities that promote agency and leadership.			
 Service opportunities are identified, and participation is encouraged. 					

Strategic Intent 4:

Whakawhanaungatanga...Building culturally responsive relationships with ALL

Baseline data: Where are we now?

- Develop and implement a new vision, mission and values statement that is inclusive of Te Ao Maori, Iwi and Te Tiriti o Waitangi.
- Baseline data using a Culturally, Intelligent, Inclusive learning environment capability framework has been collected. The results indicate that there is a basic capability in creating a sense of belonging for all learners.
- Baseline data using Educationally Powerful connections with parents, families and whanau capability framework has been collected. The results indicate that there is a basic capability in how well we create a welcoming and inclusive environment for parents, families and whanau to engage in their child/children's learning.
- Poutama Pounamu roopu: Analysing baseline data collected through surveys from taiohi/students, kaiako/teachers and whanau.
- Kia tu Rangatira ai: Learning, succeeding, and thriving in education. Baseline data collected through taiohi/student, Kaiako/Teachers and whānau.

Targets: Where do we want to be at the end of 2021?

- That the vision, mission and values statements are embedded in our day to day professional practice.
- We continue to build kaimahi/staff capability and understanding of Te Tiriti o Waitangi and the three principles of participation, protection, partnership.
- Have a clear plan; a co-constructed action plan to improve culturally responsive relational relationships.

How do we know we have got there? Measures:

- Te Ao Maori will be more visible around the school i.e signage, use of Te Reo Maori, vision, mission and values
- There will be a shift from a basic capability framework showing an improvement in culturally responsive relationships with ALL.

Strategic Aim 4.1 Strengthen our partnerships to increase participation and ensure there is authentic voice in decision-making. Responsibility Outcomes (Data) **Timeframe** Review / Progress Strategy Who's in charge? The final outcome will look like... We will ... We will get this done by... How are we going? Broaden the connections Greater Māori representation in the school with Ngāti Maru to support our Māori taiohi. representatives. Engagement with Māori There will be invitations and increased whanau and wider engagement at consultation hui. community is culturally responsive – appropriate Plan for Māori signage throughout the Kaupapa, setting, etc. school. Localised curriculum -Haurakitanga (refer 2.1): As Strengthen the Te Ao Māori strategic we invest more focus on rōpū by having more regular hui in in localised curriculum at Year 9 2021. This will include the consultation and through the new NCEA required to develop visible Pou Māori changes we will continue to and Whaikairo for wharenui seek auidance from Naāti Maru as to what is appropriate in the historical context of their role. To improve engagement with parents BKR / HRT Triennial survey beginning this year to and other important groups to increase contribute to the strategic planning cycle П opportunities for taiohi/students and with the board. evaluate success of students' Community survey and other tools (e.g. pathways. focus group / hui) will be used to gather Consultation carried out. voices of taiohi, Kaiako, whānau and identifying priorities, variance, other stakeholders. and opportunities.

 Clarify what 'success' means for our stakeholders Develop an Alumni connection plan As part of a revised self-evaluation process, a community survey for whānau, taiohi/students and Kaiako/teachers will be developed and implemented in 2021. 	Improved collaboration and communication with: Parents, Alumni association, Local employers / businesses, Education providers (WINTEC, Gateway providers, etc.) Opportunities for students are identified and pursued with relevant community links / providers Results will be used to help establish direction for annual plans, and monitor.
implemented in 2021.	Results will be used to help establish direction for annual plans, and monitor changes in perception on a more realistic timescale. Ideally the survey will be completed every year, with progress evaluations of some aspects taken annually.

Strategy We will	Responsibility Who's in charge?	Outcomes (Data) The outcome will look like	Timefi We w	ame ill get th	nis done	e by	Review / Progress How are we going?	
			T1	T2	Т3	T4		
Continue to grow Te Ao Māori throughout the school and build on the relationships already formed with our Kāhui Ako and Iwi Ngāti Maru. Rongohia Te Hau remains a significant professional learning focus for the school to enhance its culturally responsive practices. It is ongoing next year. • Strengthen the norms of starting, holding and ending hui and other events with our shared tikanga. • Embedding culturally responsive practices in learning settings (Rongohia Te Hau and Hikairo Schema, etc.) • Increasing the opportunities for 'core' learning of tikanga, e.g. the core TKM and TRM core at Year 9 and 10. Along with Kāhui Ako we will continue to support and work collaboratively in developing a localised curriculum. This includes PLD facilitated by Anne Milne "Moving from the White Spaces to Critically Conscious, Culturally Sustaining Spaces." To get the full benefit of this PLD we will invest in several places in addition to the PLD funding approved.	BRD / HRT	Strengthen the Te Ao Māori strategic rōpū by having more regular hui in in 2021. This will include the consultation required to develop visible Pou Māori in the school. We have a clear understanding of appropriate tikanga for different activities / events Strong kapa haka roopu and culture. Reinstate/revitalise the THS haka Kapa haka group Karakia/Waiata/Powhiri Increased understanding of an see evidence of the metaphors in Rongohia Te Hau framework Whanau, Whakapapa, Kaupapa, Wānanga, Ako, Mahi Ngātahi We will see the THS hakain readiness for the big vision of the whole school (incl. staff being confident in performing the school haka) Support our senior Maori leaders to implement their student led programme to increase engagement of Maori taiohi School policy for what Te Tiriti o Waitangi looks like for THS. (Measurable gains framework Implementation of Rongohia Te Hau as part of classroom practice.

REVIEW

Review the policy / procedure and share with relevant stakeholders so they can also provide feedback.

Assurance

Assure the board that proper steps/actions have been taken regarding the policy/ procedure, and that they are up to date

Consult

Consult with the school community and adopt a statement about the consultation process/results.

Submit

Update your charter & forward to the Ministry. Prepare your annual report for auditors.

Attestation

Submit Code of Practice selfreview attestation to NZQA by the due date.

No actions required this year. Check the 3-year schedule.

See Implementation Audits and Reports and Policy Reviews on your SchoolDocs site for more information.
