Introductory section

- Under the Education and Training Act 2020, a new planning and reporting framework came into effect on 1 January 2023. Under the new framework, annually updated charters will be replaced with **a 3-year strategic plan and an annual implementation plan**.
- Until 1 January 2024 the existing framework will be in place, and then schools will need to follow the regulations expected to be finalised by mid-2023.
- Through its strategic planning the board shows how it will “meet the primary objectives for boards set out in the Education and Training Act 2020, give effect to Te Tiriti o Waitangi, have particular regard to [National Education Learning Priorities \(NELP\)](#) and plan for the implementation of the national curriculum.”¹
- Our current 3-year strategic plan (2022-2024) “sets out the board’s strategy for achieving (or making progress towards achieving) its objectives during that period” and the annual implementation plan “sets out how the board intends to implement that strategy during the year.”²
- The NELP has four key objectives for schools and kura with seven “actions:

OBJECTIVE 1		OBJECTIVE 2		OBJECTIVE 3		OBJECTIVE 4	
LEARNERS AT THE CENTRE		BARRIER FREE ACCESS		QUALITY TEACHING AND LEADERSHIP		FUTURE OF LEARNING AND WORK	
Learners with their whānau are at the centre of education		Great education opportunities and outcomes are within reach for every learner		Quality teaching and leadership make the difference for learners and their whānau		Learning that is relevant to the lives of New Zealanders today and throughout their lives	
 Actions for schools and kura	1 Ensure places of learning are safe, inclusive and free from racism, discrimination and bullying	2 Have high aspirations for every learner/ākonga, and support these by partnering with their whānau and communities to design and deliver education that responds to their needs, and sustains their identities, languages and cultures	3 Reduce barriers to education for all, including for Māori and Pacific learners/ākonga, disabled learners/ākonga and those with learning support needs	4 Ensure every learner/ākonga gains sound foundation skills, including language, literacy and numeracy	5 Meaningfully incorporate te reo Māori and tikanga Māori into the everyday life of the place of learning	6 Develop staff to strengthen teaching, leadership and learner support capability across the education workforce	7 Collaborate with industries and employers to ensure learners/ākonga have the skills, knowledge and pathways to succeed in work
	Ask learners/ākonga, whānau and staff about their experience of racism, discrimination and bullying, and use that information to reduce these behaviours	Partner with family and whānau to equip every learner/ākonga to build and realise their aspirations	Work with whānau and Pacific families to identify and understand barriers that may prevent learners/ākonga from accessing, participating or remaining engaged in schooling, and work to address them	Ensure all learners/ākonga have ongoing opportunities to develop key capabilities, including communication, problem solving, critical thinking and interpersonal skills	Seek advice from Māori on how best to include tikanga Māori in values, practices and organisational culture	Identify gaps in teaching capability and invest in opportunities for teachers/kaiko and staff to strengthen teaching, leadership and learning support	Support learners/ākonga to see the connection between what they're learning and the world of work
	Have processes in place to promptly address and resolve any complaints or concerns about racism, discrimination and bullying	Help staff to build their awareness of bias and low expectations, and of how these impact learners/ākonga, staff and whānau	Ensure disabled learners/ākonga and staff, those with learning support needs, gifted learners/ākonga, and neurodiverse learners/ākonga are safe and included in their school or kura, their needs are supported, and that learning support programmes are robust and effective	Identify learners/ākonga who are not making sufficient progress in key foundation skills, and adjust learning opportunities, teaching approaches and supports, including seeking additional support from specialists	Use development opportunities for teachers/kaiko and leaders to build their teaching capability, knowledge and skills in te reo Māori and tikanga Māori	Develop teacher/kaiko confidence and competence to teach diverse learners/ākonga with varying needs, and to appropriately modify teaching approaches	Break down ethnic, gender and socioeconomic stereotypes around education and career pathways, including for girls and young women
	Create a safe and inclusive culture where diversity is valued and all learners/ākonga and staff, including those who identify as LGBTQIA+, are disabled, have learning support needs, are neurodiverse, or from diverse ethnic communities, feel they belong	Identify and respond to learner/ākonga strengths, progress and needs, and learner/ākonga and whānau aspirations	Where possible, reduce non-fee costs, including costs associated with BYOD ² policies, and take advantage of policies to reduce financial dependence on families and whānau	Value the heritage languages spoken by Pacific learners/ākonga, and provide opportunities to use and to build on them	Talk with learners/ākonga and staff about why correct pronunciation of te reo Māori is important, and provide them with opportunities to learn and practice without judgement	Expect and support teachers/kaiko to build their understanding of learners/ākonga contexts, including languages spoken at home, histories, stories and cultural values, to provide culturally responsive teaching	Collaborate with industries, employers and tertiary education providers to plan for successful transitions to enable all learners/ākonga to succeed in education
		Build relationships with Māori, involve them in decision making, and partner with them to support rangatiratanga, and Māori educational success as Māori					
		Collaborate with Māori communities to invest in, develop and deliver Māori-medium learning

² Sect. 138 Education and Training Act (2020)

Our Context

Thames High School (Te Kura Tuarua o Te Kauaeranga), established in 1880, is the second oldest secondary school in the Auckland province. The school is a Year 9 to 13, co-educational school located minutes from the centre of Thames, a semi-rural town that has a rich history of the mana whenua of Hauraki and the settlers attracted by the gold rush (1867-1871) and Kauri logging. Ngāti Maru is one of the Marutūhau confederation of tribes (Ngāti Maru, Ngāti Rongoū, Ngāti Tamaterā, Ngāti Whanaunga and Ngāti Pāoa)³ that settled the area from 1550⁴. Thames is located within easy travel (around 1½ hours) to three main urban centres of Hamilton (106 km), Auckland (114 km), and Tauranga (128 km).

Thames remains the largest town on the Coromandel Peninsula - Te Tara-o-te-Ika a Māui the jagged barb of Māui fish - with a population of approximately 7,500. Thames is the location of the Thames-Coromandel District Council, Thames Hospital and Toyota New Zealand's vehicle importing/refurbishment business, residential retirement services and has a significant retail centre that serves a diverse and the agriculture and farming community. As a gateway town and historical centre, tourism and services are significant. Historically, Thames has endured significant changes to its economy with the closure of the railway (1991), Toyota assembly (1998) major sawmills (2008) and associated industries.

The school is committed to equity, excellence and diversity that reflects our predominantly bicultural heritage, and actively promotes a culture of belonging (Manaakitanga) for all students. Māori language courses are offered at all year levels, and we are committed to strengthening confidence in tikanga and te Reo Māori for ākonga (learners) and kaimahi (staff).

Student population

Most students that attend Thames High School are from Thames itself, from 'up the coast' - Te Puru, Waiomu, Tapu, Te Mata, or south of Thames – Hikutaia, Matatoki and Puriri. Some also travel from Hikua and Tairua, although the number has declined over the past decade as the parental connection to Thames High School has reduced.⁵

As 1 March 2023 the roll was 413 (209 male and 204 females), including 14 international students.

- Of 399 domestic students, 166 identified as NZ Māori (42%), 293 as NZ European (73%), 25 (6.3%) as 'other European', 27 (6.8 %) Pasifika Pasifika (Cook Island, Samoan, Tongan, Fijian, Niuean), 27 (6.8 %) Asian (Indian, Southeast Asian) and 15 (3.8%) other ethnicities. Percentages add to more than 100% as students identify with multiple ethnicities.
- Using MoE statistical priorities: 42% (166) NZ Māori, 43.9% (175) NZ European, 3.3% (13) other European, 2.3% (9) Pasifika, 5.8% (23) Asian and 3.3% (13) Other
- Of those that identify as Māori: 26 (16% of Māori) identify as Ngāti Maru, 25 (15%) Ngāpuhi, 17 (10%) Tainui (iwi not named), 15 (9.0%) Ngāti Tamaterā, 15 (9.0%) Ngāti Maniapoto, 12 (7.2%) Ngāti Porou
- 118 students (30%) were entitled to Ministry buses (at least 4.8 km from school): 43 Puriri, 31 Te Puru, 29 Tapu, 9 Kauaranga Valley 6 Tairua/Hikua

International Students

Thames High School benefits from a close association to the [Evakona Education Language School](#) who have strong connections to Japan; consequently, most of our international students are Japanese, although they also come from Germany, Italy, Switzerland, Vietnam and China. Thames High School has an ongoing relationship with Misaki Town, which has a sister-town relationship with Thames. Thames High School is seeking to develop stronger markets in Asia (China, Taiwan, Vietnam, Korea, Thailand) and South America (Brazil, Chile, Colombia) and Europe (Italy, Switzerland).

³ <https://teara.govt.nz/en/hauraki-coromandel-region/page-4>

⁴ "The stronghold of Ngati Maru has always been concentrated around the Thames region from Hikutaia in the south as far as Te Puru in the north traversing both sides of the Waihou river and Firth of Thames in places with other Marutūhau." (<https://ngatimaruiwi.nz/history/>)

⁵ The Ministry of Education transport route from Tairua to Thames High no longer meets the Ministry of Education criteria to the 'closest school', and the uncertainty of the 25A has accelerated that change.

Kāhui Ako / Community of Learning

Thames High School is a member of the [Thames Te Kauaeranga Kāhui Ako - Community of Learning](#) along with eight primary schools - Matatoki School, Moanataiari School, Pārāwai School, Puriri School, St Francis School (Thames), Tapu School, Te Puru School, Thames High School, Thames South School - and five Early Childhood Education Centres - Central Kids, Little Chiefs Educare, Mini Miners, Pukekos Childcare, and Thames Early Childhood Education Centre.

These schools are the predominant contributing schools for Thames High School, although some students also attend from Hikutaia School, Hikuai School, and Tairua School. With such a range of contributing schools, strengthening our connections, and ensuring great transitions is a key focus for Thames High School.

A strategic plan for the Thames Te Kauaeranga Kāhui Ako was developed in 2020 and focuses on three achievement challenges – conscious connection, conscious inclusion, and conscious collaboration. Alongside these challenges are achievement targets that focus on literacy, health curriculum and NCEA qualifications. The Kāhui Ako has two across-school teachers/leaders and six within-school teachers.

As of 2023, three within-school teachers are based at Thames High School. The Kāhui Ako is fortunate to have two learner support coordinators (LSCs) and one Te Hononga Check and Connect mentor based at Thames High School, working extensively across all Kāhui Ako schools.

Thames High School provides Technology education for our Kāhui Ako primaries, with a two-hour, one day a week provision, including food, fabric, materials, and art-design programmes.

Other important contextual information

- With the current economic situation and local opportunities, significant numbers of students leave school at 16 for employment, including an increase in the number of students moving to apprenticeships and other work-based training and employment. Consequently, this affects Year 12 and Year 13 retention and therefore qualification rates.
- The links between student attendance and achievement are well understood. Consistent processes for encouraging and monitoring student attendance are used to support our target to improve rates of regular attendance.
- **Community Consultation**
 - The school consults the community on a regular basis. The approach that is used is to survey the on current issues or needs (e.g. uniform, curriculum, reporting to parents), relevant policy reviews and more generally regarding satisfaction to gather feedback (triennially).
 - We have two key groups for consultation.
 - The Te Ao Māori Strategic Ohu aims to get iwi and whanau voice into the strategic direction of the school and its annual plan, along with other matters that would help the board.
 - The Parents Forum also meets regularly to provide an opportunity for parents to discuss current issues and to support each other.

Physical resources

Thames High School has two main physical sites, with the main campus on Sealey Street (3.9811 ha) and Danby Field on Queen Street. Historically, both sites were gifted for educational use by Ngāti Maru. Danby Field (0.2168 ha) is part of the Ngāti Maru (Hauraki) Deed of Settlement which is subject to final ratification (since 2017). Currently it is used as a supplementary sports field, but its location as low-lying land means it is often boggy.

School physical resources include:

- Our wharenui, Te Puna O Te Pito Mata (The Wellspring of Potential), at the front of our school - the jewel in our crown!
- The Jack McLean Community Recreation Centre, that sits alongside our own gymnasium - offering our students and the community a modern state-of-art gymnasium and facilities. Schools much larger than Thames High School are often not so fortunate.
- Fully refurbished science laboratories (2019)
- Classrooms that have been modernised.

- A swimming pool that allows for on-site swimming, scuba, and kayak training, amongst other activities.
- A robust IT infrastructure with sufficient devices to support learning in specialist areas and for those that cannot provide their own device.

Curriculum

Thames High School is large enough to offer a broad and balanced curriculum, with multiple pathways, yet small enough to ensure that there is a deep personalised approach to learning and pastoral care well-being, where everyone is recognised as an individual. Students are placed in a rōpu (group) in one of our four houses, with a Rōpu Kaitiaki (teacher) who looks after them and is the main point of contact between the school and home. One of the features of Thames High School is that students foster great relationships with their teachers and other students.

The school offers:

- A broad, diverse curriculum at all levels with student choice at all year level (option subjects)
- We operate a 20 periods per week timetable, with three 75-minute periods and one 70-minute period per day.
- **Years 9 and 10**
 - **Core** (compulsory) programmes of English, Tikanga / Te Reo Māori, Mathematics, Science, Arts, Social Studies, and Physical Education and Health.
 - **Year 9** – a combination of whole-year core subjects and core (term rotation) subjects.
 - **English, Maths, Health and Physical Education, Social Studies and Science** - whole year programmes (3 periods per week, except social studies, 2 periods)
 - **Term rotations (2023)** – 3 periods per week
 - Art, Drama, Te Reo Māori, Materials Technologies
 - Digital Technology, Music, Kai (Food), Tikanga Māori
 - **Year 10** – core subjects and semester options
 - **English, Maths, Science and Social Studies** - 3 periods per week for the whole year
 - **Term rotations:** Health, Physical Education, Digital Financial Literacy and Tikanga / Te Ao Māori
 - Two options – semester (two terms) each. The options are subject to change from year to year. There is a good variety on offer to cover the range of subjects expected in the NZ Curriculum, in technology, music, art, drama, etc.
- **Year 11**
 - English, mathematics, and a science-related subject are compulsory as foundations to support diverse pathways in the senior school and beyond – 3 periods per week each.
 - Three optional subjects from range of learning areas – 3 periods per week each.
- **Year 12**
 - Six optional subjects are chosen, with guidance to ensure that literacy requirements for University Entrance are met to keep this pathway open. There are significant vocational pathway options available.
- **Year 13**
 - Five optional subjects are chosen.
- Thames High School supports **vocational pathways** and continues to see significant interest in Trades education (Secondary Tertiary Programmes with WINTEC) and expansion of work-based learning, including the Gateway programme.
- Many courses that are not available on campus are offered via **distance learning** opportunities, including courses from the Kōtuiti Ako Online learning network, Te Aho o Te Kura Pounamu (Correspondence School) and the Southern Institute of Technology.
- A diverse range of learning modes: academic learning, hands-on learning, field trips and education outside the classroom (EOTC) which takes advantage of our great location at the doorstep of many outdoor pursuits.
- Strong academic pathways, with opportunities for extension and acceleration, including distance learning opportunities where schools our size pool resources to ensure more choice for all.
- A wide range of sporting and cultural opportunities, with students encouraged to be active participants.

Our commitment to Te Tiriti o Waitangi

Te Kura Tuarua o Te Kauaeranga / Thames High School is committed to Te Tiriti o Waitangi (Treaty of Waitangi) and its unique position in Aotearoa/New Zealand and will give effect to it by ensuring its plans, policies, and school (local) curriculum reflect local tikanga Māori, mātauranga Māori and te ao Māori. This includes taking all reasonable steps to make instruction available in tikanga Māori and te reo Māori and achieving equitable outcomes for Māori students.⁶

We recognise that this is a journey that involves a long-term genuine commitment to improve our practices.

Thames High School affirms that Te Tiriti o Waitangi is a “central pillar” of Te Mātaiaho (the refreshed New Zealand Curriculum) that provides a foundation for our school / local curriculum to reflect active protection of te reo Māori me ngā tikanga and mātauranga Māori.

Thames High School / Te Kura Tuarua o Te Kauaeranga:

- is committed to working in partnership with whānau, hapu, iwi and our community.
- is committed to working with Ngāti Maru (mana whenua) to strengthen our relationship and our shared goal of ensuring educational success, through a strengths-based approach and growing meaningful pathways.
- currently offers Te Reo Māori/Tikanga Māori as a core subject offered at Year 9 and 10 and an optional subject at Years 11 to 13. In 2021 the time allocation to Year 9 Te Reo/Tikanga Māori doubled from that in 2020 and that has since been sustained and we have – since 2022 – added Te Ao Haka as a curriculum option at Years 10 to 13.

The **principles** of partnership, participation and protection are central to honouring Te Tiriti o Waitangi.

Thames High School is committed to:

- **Partnership:** Seeking to develop genuine partnership encouraging and ensuring that Māori are involved at all levels of the decision-making, planning, and development of curriculum. This includes, where needed, co-opting Māori onto the school board, committing to the Te Ao Māori Strategic Ohu and engaging with our Māori community.
- **Protection:** as expressed above in our commitment to Te Tiriti, by normalising te reo Māori me ngā tikanga and achieving equitable outcomes for Māori students. This is in all settings - the classroom (by including a Māori perspective to topics and inquiry), staff meetings, the staff room, on duty, at assemblies and in other areas.
- **Participation:** by working to strengthen home-school relationships, Māori involvement in decision making, the environment reflecting the biculturalism of Aotearoa (e.g. signs, artworks), inquiring and valuing the aspirations of Māori whānau reflected in school planning and, again, being focused on equity for Māori

Along with our commitment to the **principles** of Te Tiriti o Waitangi, we also recognise that the articles of Te Tiriti o Waitangi offer a complementary perspective as illustrated in this infographic (Core Education)⁷.

Te Tiriti o Waitangi in Education			
Article 1: Kāwanatanga – Honourable Governance			
Learning communities understand their position as Crown agents and affirm Māori as tangata whenua.	They are governed honourably – decisions are made with those who are impacted the most by them.	A shared decision making process with whānau, hapū and iwi (partnership) is embedded.	Communication is meaningful, ongoing, reciprocal and transparent.
Article 2: Rangatiratanga – Agency			
Te Reo Māori, tikanga and kawa, appropriate to local context, is valued, practiced and celebrated.	Māori are achieving success as Māori.	Māori have agency, voice and choice, the power to act.	Māori diversity is recognised and valued and self determination is enacted.
Article 3: Ōritetanga – Equity			
In the interest of all, Māori have the same rights and opportunities as non-Māori.	Educational barriers and inequalities are removed to ensure equitable educational outcomes.	Education content and delivery reflects Aotearoa and our dual heritage (past, present and future), Equitable representation of Mātauranga Māori, Reo, tikanga etc.	Māori perspectives and opinions, and the voices of Māori are equitably represented.
Article 4: 'The spoken promise' – the right to have cultural and religious freedom

Annual Plan 2023 (Detail)

Strategic Intent 1: We are committed to the intent of Te Tiriti o Waitangi.	
<ul style="list-style-type: none"> This strategic intent gives direction to ensure our school (local) curriculum reflects local tikanga Māori, mātauranga Māori and te ao Māori. This includes taking all reasonable steps to make instruction available in tikanga Māori and te reo Māori and achieving equitable outcomes for Māori students. This also reflects our longstanding commitment to work in partnership Ngāti Maru (as mana whenua) and understand and realise their aspirations for tamariki and taiohi 	
<ul style="list-style-type: none"> NELP 2: Have high aspirations for every learner/ākonga, and support these by partnering with their whānau and communities to design and deliver education that responds to their needs, and sustains their identities, languages, and cultures NELP 5: Meaningfully incorporate te reo Māori and tikanga Māori into the everyday life of the place of learning. 	
Strategic Priorities <ol style="list-style-type: none"> Our curriculum and other programmes will promote equity and excellence to reflect the aspirations of mana whenua. We are committed to working together as a diverse community through culturally responsive relationships and pedagogy. We will nurture understanding of our historical belonging and whenua. 	Measures of success <ol style="list-style-type: none"> All students are positively engaged in their learning, supported by Kaiako and Kaimahi. We achieve equity in valued outcomes, in terms of qualifications and as agreed with mana whenua. We will improve our understanding of appropriate kawa, tikanga, pepeha, whakapapa and knowledge of local histories, including Te Tiriti o Waitangi.
Where are we now? <ol style="list-style-type: none"> Curriculum <ol style="list-style-type: none"> Te Reo Māori, Tikanga Māori and Te Ao Haka are core components of Years 9 and 10 and options at Years 11-13. Strengthen our understanding of local whenua and historical narratives, building on the relationships already formed with our Kāhui Ako and Ngāti Maru. <ul style="list-style-type: none"> • Kaimahi are offered opportunities to develop better understanding of Te Tiriti and local narratives. • <i>Further develop our localised curriculum – Haurakitanga (refer 1.1)</i> - incorporates localised histories and connection with mana whenua. <p>Refer 1.1: Curriculum development.</p>	KET / ONL (with FLR)	<ul style="list-style-type: none"> • Professional learning includes mātauranga Māori across the curriculum. • Aotearoa / NZ Histories is included in core Year 9 and 10 Social Studies • Across the curriculum development of thematic approaches, e.g., Matariki, that strengthen our culturally responsive curriculum. 	<ul style="list-style-type: none"> • Term 1 – Professional learning plan and PGC timeline established • Term 1 - Year 9 SOS is whole-year programme and units developed • Term 1-2 – Thematic unit development 	

Strategic Intent 2: All taiohi / students will progress to their highest potential.	
<ul style="list-style-type: none"> This strategic intent is to achieve equitable outcomes for all students and recognises that 'highest potential' is not limited to traditional 'achievement' but rather includes a broader understanding of valued outcomes, such as language, culture, belonging, and identity. This intent also recognises kaimahi (staff) as learner and the therefore how we continue to professionally develop as kaimahi / staff. 	
<ul style="list-style-type: none"> NELP 2: Have high aspirations for every learner/ākonga, and support these by partnering with their whānau and communities to design and deliver education that responds to their needs, and sustains their identities, languages and cultures NELP 4: Ensure every learner/ākonga gains sound foundation skills, including language, literacy and numeracy NELP 6: Develop staff to strengthen teaching, leadership and learner support capability across the education workforce NELP 7: Collaborate with industries and employers to ensure learners/ākonga have the skills, knowledge and pathways to succeed in work 	
Strategic Priorities <ol style="list-style-type: none"> Identify and respond to ākonga / learners' strengths and needs, personal and whanau aspirations and their progress. Encourage and develop staff / kaimahi to strengthen learning, teaching, and leadership capability. Develop a holistic curriculum that is localised, future-focused to set the foundations for taiohi / students for life beyond school. 	Measures of success <ol style="list-style-type: none"> Our learning and teaching practice is based on best evidence, reflecting a coherent model that is consistent, responsive, and aspirational - having high expectations for all. Professional development and growth of kaimahi are valued and evident. Personalised pathways are nurtured through excellent careers advice, information, and education – from interests, goals, and aspirations to multiple pathways.
Where are we now? (refer to data below) <ul style="list-style-type: none"> There are persistent disparities in valued qualification outcomes (NCEA) between Māori and non-Māori and different genders and the gaps have not been successfully bridged. There are significant proportions of students with low attendance, and we know this affects achievement of qualifications; this is the most significant factor in determining 'successes'. There is a persistent pattern with incoming basic literacy (and numeracy) – significant proportions who are below expectations; literacy is a big factor in achieving 'successes and rates of endorsement'. There is a 'credit culture' to achieve rather than to seek endorsement. Course endorsement rates are lower than national statistics as external assessments are needed for course endorsements. We are developing processes to systematically inquire and record goals, aspiration, and link these to outcomes. There is a range of teaching practices where there are many examples of good practice, but a shared visible model of teaching and learning (pedagogy) is yet to be agreed. Professional learning since 2020 has focused on culturally responsive practices and understanding Te Tiriti and how to respond to achieve equity and excellence. 	Targets: Where do we want to be at the end of the year? <ul style="list-style-type: none"> All Taiohi / students achieve at least 14 credits per course at Year 11 and 12 credits per course at Year 12 and 13 for at least five courses. <i>If this is achieved, then the identified disparities will be reduced and eventually eliminated.</i> The gender difference in achievement of NCEA level 2 for Year 12 2023 will be reduced by at least 25% relative to the previous year (NCEA level 1 / Year 11 cohort) The difference in achievement of NCEA level 2 for Māori and non-Māori at Year 12 2023 (will be reduced by at least 25% relative to the previous year (NCEA level 1 / Year 11 cohort) Endorsements at Level 2: The rate of combined merit and excellence endorsements for Māori for Year 12 2023 (Year 11 2022) cohort will be improved by at least 25% relative to the previous NCEA level 2 results. Literacy: At least 50% of Year 9 and 10 who are below curriculum expectations will have accelerated progress (i.e. more than one year's curriculum progress in one year). Attendance: The proportion of students who attend 'regularly' (above 90%) will be increased by 25% relative to the previous year.

Strategic Intent 3: Everyone feels valued, safe, and acknowledged for who they are.	
<ul style="list-style-type: none"> This strategic intent gives direction to the board's responsibility to provide a safe workplace for all and set the foundations to achieve equitable and excellent outcomes for all students. NELP 1: Ensure places of learning are safe, inclusive and free from racism, discrimination and bullying. NELP 3: Reduce barriers to education for all, including for Māori and Pacific learners/ākonga, disabled learners/ākonga and those with learning support needs. NELP 7: Collaborate with industries and employers to ensure learners/ākonga have the skills, knowledge and pathways to succeed in work. 	
Strategic Priorities <ol style="list-style-type: none"> Ensure our environment is safe and inclusive for all and where people feel they belong. Actively provide opportunities for engagement and collaboration to build connections. Recognise achievement, progress, and success on a regular basis for all in our school community. 	Measures of success <ol style="list-style-type: none"> (a) Diverse people will feel included and have a sense of identity and belonging. (b) We have a culture in which asking for help or support is normalised, and incidents are reported, acted upon and people are assured that appropriate action is taken. There are ongoing opportunities for 'voice' and there is evidence of consultation. There is a wide range of activities / opportunities provided and success is celebrated.
Where are we now? (Including data) <ul style="list-style-type: none"> Wellbeing data have been collected via Wellbeing @ Schools 2021 and 2022 and Staff Wellbeing survey in 2021, and elements are included in other surveys, e.g. Rongohia te hau collected in 2022. Wellbeing data gathered show that we have a range of outcomes. While significant proportions express good wellbeing, there are concerns. We have well-being policies and procedures, including commitment in the approaches of Positive Behaviour for Learning. We believe the disruption of the last few years has negatively affected some wellbeing indicators and learning and social engagement. Pastoral data (e.g., stand downs and suspensions) indicate that social-relational and management of emotional wellbeing and stressors resulted in negative behaviour towards others. There is scope to improve on wellbeing indicators for all stakeholders. There are employment assistance supports available for staff that are supported by the board and centrally (MoE). We have resourced a wellbeing coordinator for staff since 2021. 	Targets: Where do we want to be at the end of 2022? <ul style="list-style-type: none"> Kaimahi and Taiohi report feeling safe and supported in their work at Thames High School. Workplace culture will be acknowledged as one where reporting concerns is encouraged and concerns are seen to be appropriately addressed. Kaimahi and Taiohi understand our tikanga / values and the way we can live these every day through our actions and behaviour/ How do we know we have got there? Measures: <ul style="list-style-type: none"> Kaimahi and taiohi surveys. Survey results will show we are making good progress on key indicators of well-being. Kaimahi and Taiohi all know Our tikanga/values and behaviour is consistent. Responding to behaviour continues to be more consistent as a school-wide responsibility, with accountability and understanding. Key indicators of well-being, including attendance, engagement, stand-down/suspension rates will indicate progress.

Strategic Priority 3.2: Actively provide opportunities for engagement and collaboration to build connections.
